

# **Frederick H. Bealefeld, III**

## **EXPERIENCE**

**July 2007 – Present**

### **Acting Police Commissioner**

Baltimore Police Department

- Worked to aggressively implement the Mayor's public safety strategy.
- Continued effective deployments including foot patrols, proactive partnerships with the State Police and the Transportation Authority Police, and the East and West Side enforcement initiatives.
- Worked with the Acting Deputy Commissioner for Administration to improve accountability in the department and make our policing more efficient.

**February – July 2007**

### **Deputy Commissioner for Operations**

Baltimore Police Department

- Responsible for the direction and deployment of the Department's Patrol, Criminal Investigation and Community Relations sections, as well as the Crime Analysis Unit.
- Worked with the Mayor's Office on Criminal Justice to develop the Public Safety Strategy and implement key components such as foot patrols and more targeted enforcement.
- Oversaw the creation of the Gun Trace Task Force- part of the Mayor's anti-gun strategy which has increased gun seizures and is effectively attacking the illegal gun trafficking in Baltimore.

**Jan. 2006 – Feb. 2007**

### **Chief, Criminal Investigation Unit**

Baltimore Police Department

- Guided operations of all four detective sections of the Baltimore Police Department, as well as the Crime Laboratory.
- Worked with Criminal Investigation Chiefs from other jurisdictions to ensure a strong exchange of information and intelligence, communicated regularly with prosecutors in the Baltimore City State's Attorney's Office and the U.S. Attorney's Office and participated in COMSTAT and Police STAT meetings.

**Jan. 2005 – Jan. 2006**

**Area Chief, Patrol Division Area I**  
Baltimore Police Department

- Responsible for the supervision and deployment of all uniformed officers in the Eastern half of Baltimore.
- Worked with District Commanders to analyze crime patterns and develop effective strategies to interrupt those patterns.
- Supervised the effective management of Departmental resources, including manpower, vehicles and funds.

**April 2003 – Jan. 2005**

**District Commander, Southern District**  
Baltimore Police Department

- Responsible for day-to-day law enforcement in a diverse group of neighborhoods that included Federal Hill, Washington Village, Cherry Hill, Brooklyn and Curtis Bay.
- Maintained a strong and active Police Community Relations Council and developed a Citizens Patrol program that has become a model for the City.
- Specific initiatives to improve performance included Spanish Language training for officers and improved methods to assist abused and exploited women.

**July 2002 – April 2003**

**Commander, Drug Enforcement Section**  
Baltimore Police Department

- Supervised all units conducting investigations of major drug traffickers throughout Baltimore
- Worked closely with prosecutors to ensure strong prosecutions of drug traffickers and to modify and improve drug laws to allow for more effective enforcement.
